Welcome to Oklahoma Christian

From President Mike O'Neal

Welcome to Oklahoma Christian University. OC is a special place of Higher Learning and Higher Calling. We take seriously our responsibility to nurture all aspects of life - intellectual, spiritual, physical, and social - all of which are integrated through faith.

OC is about the transformation of lives for Christian faith, scholarship, and service. We are engaged in a diligent quest for quality and excellence in every aspect of our work. There is hardly a week that goes by during the academic year that I do not receive word of our students, alumni, or faculty receiving an award for their accomplishments or recognition for serving others.

Thank you for your interest in Oklahoma Christian. I hope you will take every opportunity to visit our campus and get better acquainted with the marvelous work of our faculty and staff, and the extraordinary accomplishments of our students and alumni.

If we can be of any help to you, please feel free to contact my office at:

About the University

"I have come that they may have life, and have it to the full." - John 10:10

Faith isn't limited to a worship service, devotional or Chapel. Learning doesn't end with final exams or a graduation ceremony.

At Oklahoma Christian University, these principles drive us. Through faith-infused academic programs and campus activities, OC students gain the knowledge and skills they need to become leaders in all walks of life.

But our students seek more than successful careers. Their ultimate motivation is to serve God. They are determined to put their faith into action to make a difference in the world.

This is a place where you can realize your purpose and find your calling. OC is a place where you can live life to the full.

NATIONAL RECOGNITION

Designated by Princeton Review as a Best Western College.

Named a "Best University - Master's" in the western region in U.S. News and World Report's "America's Best Colleges"

Honors Program

OC's Honors Program provides an exceptional undergraduate experience for academic achievers who are eager to learn in a Christian community.

The program offers an Honors curriculum in place of the general education core curriculum. The program is what the

National Collegiate Honors Council calls the "most robust" model for Honors programs – a coherent, four-year experience built around integrated, core courses designed exclusively for Honors students and taught by exceptional faculty.

Honors courses are team-taught and interdisciplinary. Professors encourage

a high level of participation, foster considerable independent research, and mentor students in writing papers that demonstrate mature, scholarly thinking.

Each year, about 25 percent of the students are National Merit Scholars and the average ACT score of entering students is above 31. Honors students live in Honors House at Davison Hall, a newly-renovated residence that is the hub of the living/learning community in the Honors Program.

Off-Campus Study Programs

Through OC's European Studies Programs, students experience firsthand much of the history and culture that Europe has to offer. Choose to spend an entire fall semester abroad studying, traveling and serving, or do the same thing during six weeks in the summer.

See St. Paul's Cathedral, where Prince Charles and Diana were married, visit the palace in Vienna where Napoleon lived, and study Michelangelo's "David" in Florence.

The Pacific Rim Studies Program begins every fall semester in China with its famous silk markets, the Great Wall, Tiananmen Square and the Forbidden City. It continues in Japan with stops in Tokyo, Kyoto and Ibaraki.

Students then head to New Zealand and Australia to study and serve, along

with experiencing thrills like "Zorbing," black water rafting and snorkeling the Great Barrier Reef. The final stop is Hawaii, highlighted by Waikiki Beach and a stirring trip to Pearl Harbor.

A year of study at Japan's Ibaraki Christian University comes with a full-tuition scholarship. Additional summer programs include a Canada Shakespeare Tour for fine arts or literature credit and a medical mission trip to Honduras.

Through the Council of Christian Colleges and Universities, students can pursue programs like film school in Los Angeles, political or journalism studies in Washington, D.C., professional musician and music executive training at the Contemporary Music Center in Massachusetts, and international studies in Australia, China, England, Latin America, Russia and Uganda.

Career Services

The OC Career Services Office offers students assistance in exploring majors and career options and in finding internships and part-time and full-time employment. The Career Services Office also offers free career assessment software, resume writing assistance, interview preparation, on-campus interviews, career fairs, workshops, and much more. For more information, call (405) 425-5960 or visit www.oc.edu/careerservices. ▶

First-Year Programs

Several times each summer, OC offers orientation to all incoming students. This orientation is designed to help students understand the nature of college academics and to help with enrolling at OC for the first time. In addition to New Student Orientation, new students are

required to attend Earn Your Wings the week before classes start in the fall. This orientation to campus life (presented by upperclassmen) helps build relationships and develop university pride and unity. For more information, call (405) 425-5906 or visit www.oc.edu/studentlife. ■

Health, Wellness, and Safety

The Eagle Community Clinic is committed to the health and wellness of our campus community. A provider is available Monday through Friday. Extended hours during school breaks ensure continuity of care. We have scheduled appointments, but also have times available for those that “walk in” with urgent (same-day) needs.

The Eagle Community Clinic offers::

- General Medical and Nursing Care
- Immunizations
- Personal Counseling
- Psychological Services
- Mental Health and Wellness Screenings

ATHLETICS AND ACHIEVEMENTS

Oklahoma Christian is riding strong momentum as one of the best athletic programs in the country, placing in the top 10 of the national all-sports standings the past two years. OC had the top program in the Sooner Athletic Conference, recognized as one of the premier small-college leagues in the nation.

The university fields teams in men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, men's and women's tennis, men's and women's track and field, baseball and softball, with student-athletes honored as NAIA All-Americans and NAIA Scholar-Athletes in a variety of sports on an annual basis.

OC has won 42 NAIA championships, including the 2003 men's tennis and the 2009 and 2011 men's golf titles, plus a slew of individual and relay crowns in track and field. Seventeen of OC's national championships have come in the past three years.

With all of our recent athletic success, we may be most proud of our 3.2 cumulative GPA for the entire athletic department last year. Twelve of our athletic teams had a 3.0 cumulative GPA or higher.

Oklahoma Christian is recognized as an NAIA Champions of Character institution for the impact it makes through charitable activities and community outreach.

The OC Cage Camp program, the largest basketball camp of its kind west of the Mississippi River, recently celebrated its 20th year.

OC is home to "The Complete Athlete." We hope it will be your home, too.

CLUBS/INTRAMURALS

Students can choose from seven men's clubs and six women's clubs on campus. From Spring Sing to service projects and other activities, clubs provide a great way to form close relationships and grow spiritually. All OC students can participate in athletic events that will enhance their physical, mental, social and spiritual experience at OC.

SPIRITUAL CONNECTIONS

One of OC's most important traditions is meeting for Chapel every weekday. The main Chapel service and other gatherings like Women's Chapel, Missions Chapel, Great Songs Chapel (and more!) provide a chance to focus on God. Monday night's "View 63" and the "Thursday Night Devo" also bring students together to praise and worship.

STUDENT GOVERNMENT

The Student Government Association is the official organization representing the OC student body. Its executive officers, senators, and committees

govern and supervise student activities within the range of its bylaws. Officers and senators are chosen by popular vote, with representatives from the residence hall councils, classes, and clubs holding designated positions.

SERVICE ACTIVITIES

Held during Earn Your Wings week, Kite Day brings more than 200 inner-city school kids to campus to fly kites and eat lunch with OC's incoming students. Kite Day kicks off a program that sees hundreds of OC students volunteer to mentor these kids. Since 1976, more than 1,200 OC students (from all majors) have enrolled in physical education classes that allow them to work one-on-one with elementary students with special needs.

BIG EVENTS

A highlight of Spring Visit weekend, Spring Sing features solo and group performances with a live band, and shows from OC's freshman class and social service clubs. Freshman Fanfare is a similar event in the fall that allows first-year students to show off their talents. In November, Homecoming weekend includes basketball games, the Homecoming musical, and the bonfire. Cocoa and Carols brings holiday spirit to campus in December with performances from the Chorale and Symphonic Band. ■

Financial Aid

Oklahoma Christian students can receive financial aid from four different sources. The primary source of financial aid comes from OC's commitment to award merit-based and need-based scholarships and grants to its students.

Other sources of financial aid come from the federal government, state government, and various types of outside scholarships (scholarships awarded from entities other than Oklahoma Christian).

In order to receive OC grants/scholarships, federal grants/loans, or Oklahoma state grants, additional information may be needed after the Free Application for Federal Student Aid (FAFSA) is submitted.
